

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

In the name of ALLAH (ﷻ), the most merciful,
the most gracious.

Theme:

- Whatever we do, every step that we take, every breath that we breathe, is done with the help and mercy of our creator, Allah (ﷻ).
- We are powerless and cannot produce fruits from our actions. Allah (ﷻ) has created us and He is the ONLY source of all the benefits.
- Thus, this beautiful ayah is a reminder of our relationship to our creator Allah (ﷻ), in all our actions
