

سُورَةُ الطَّارِقِ

The Bright Star

Theme:

The surah of Final World

القرآن

- Allah (ﷻ) tells us to look at the sky in night and the bright star. Like the bright star shining in the night sky Allah's message shines to show the way in dark.
- Everyone's actions are being watched secretly by Allah (ﷻ).
- Man should think that as he was born he would be reborn on a day when all secrets will be made open. Then man will be made to answer his deeds.
- This message in Qur'an is the final word from Allah (ﷻ) to separate good from evil.
- It is not a useless tale for enjoyment alone but is meant for being acted upon.
- Anyone who has an evil plan against Allah's (ﷻ) message, Allah (ﷻ) has his own plan against him. So let him enjoy for a while.

Working with the surah:

Learn these Ayats:

There is no soul but that
it has over it a protector
(observer).

إِنَّ كُلَّ نَفْسٍ لَّمَّا عَلَيْهَا حَافِظٌ ۝

Indeed, it (i.e. Al Qur'an) is a
decisive statement.

إِنَّهُ لَقَوْلٌ فَصْلٌ ۝

And it is not a thing for amusement.

وَمَا هُوَ بِالْهَزْلِ ۝

PRACTICAL TIPS

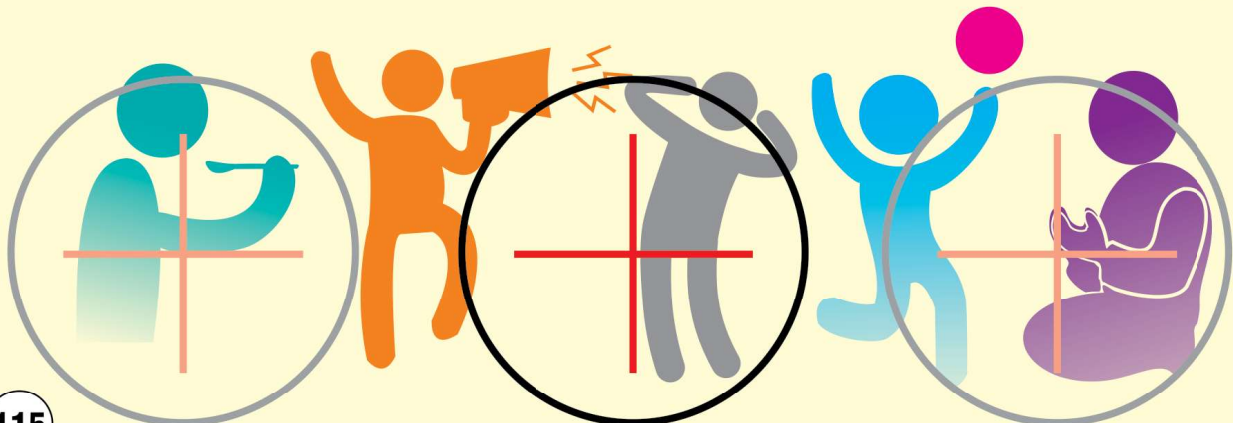

- We should be very cautious that we are under a continuous watch by angels who are recording our actions secretly.
- For all actions we should keep Qur'an as our guide.
