

سُورَةُ الْمُطَفِّينَ

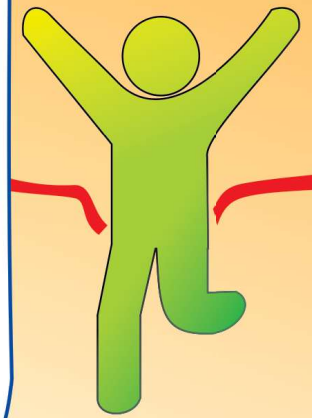

The Cheaters

Theme:

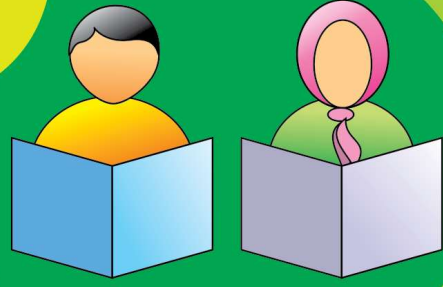

The surah of Competition

- ❑ Allah (ﷻ) tells us that the cheaters are evil people who give less to others and ask more for themselves.
- ❑ They cheat because they do not believe in the Day of Judgment.
- ❑ Their record is being kept in "Sijjin" as a written book from which they cannot escape and will enter the burning fire.
- ❑ The record of the believers is being kept in "Illiyin" as a written book by the angels till they enter the bliss. They will be sitting on high places happily looking at their Lord and will be given tasty and good smelling drink (Ar-Raheeq Al-Makhtum). This is what one should compete for.
- ❑ In this life the disbelievers laugh and make fun of the believers and think that they are in mistake.
- ❑ But in the hereafter the believers will be sitting in bliss laughing on the disbelievers. So everyone will get what he competed for.

Working with the surah:

Learn these Ayats:

Surely, the right people will be in bliss.

إِنَّ الْأَبْرَارَ لَفِي نَعِيمٍ ۝٢٢

Sitting on adorned couches, observing.

عَلَى الْأَرَائِكِ يَنْظُرُونَ ۝٢٣

You will recognize in their faces the radiance of bliss.

تَعْرِفُ فِي وُجُوهِهِمْ نَضْرَةَ النَّعِيمِ ۝٢٤

They will be given to drink the pure sealed wine.

يُسْقَوْنَ مِنْ رَحِيقٍ مَخْتُومٍ ۝٢٥

Whose seal (i.e. its lingering odor) is musk, **and for this the competitors should compete.**

خِتْمُهُ مِسْكٌ ۝٢٦ وَفِي ذَلِكَ فَلْيَتَنَافَسِ الْمُتَنَافِسُونَ ۝٢٧

And its mixture is of Tasneem.

وَمِزَاجُهُ مِنْ تَسْنِيمٍ ۝٢٨

A spring from where those nearest to Allah (ﷻ) will drink.

عَيْنًا يَشْرَبُ بِهَا الْمُقَرَّبُونَ ۝٢٩

PRACTICAL TIPS

- In all your dealings think for others what you wish for yourself.
- Develop in yourself the sense of competition to gather for Aakhira rather than worldly shines.

NOW AND THEN

In life people cheat to get temporary benefits but in Aakhira they will face punishment. In the following activity match the appropriate action with corresponding result in this world and Aakhira.

Ar-Raheeq Al-Makhtum

Boiling Water

Sijjin

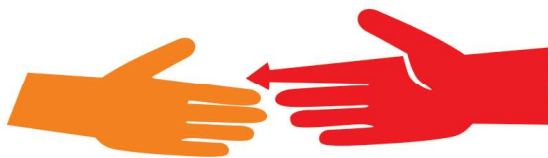

Illiyin

Salat and Sabar

Enjoying

Cheating

Being Honest

Evaluation

Answer the following questions

Why do people cheat?

What should one compete for?

What is Sijjin and Illiyin?
