The surah of Choices

- Allah (**) says that man is made to work hard. Whether for this world or for Aakhira.

- The good way is uphill and looks hard to follow but takes us to bliss (Jannat). In this way we have to help others in difficulty and share with them even at the time of our need.
- Then we will be among the right people who believed, showed patience and were kind.
- While the **evil way** is to follow one's own desires and deny Allah (ﷺ). Those who do so are the evil people who will end up in fire closed on to them.
