

سُورَةُ الْبَيِّنَةِ

The Clear Proof

Theme:

The surah of Clear Proof

- Allah (ﷻ) told us to follow the right path (دين).
- And to guide us He sent His book (Quran) and the Prophet Muhammad (ﷺ).

The Qur'an tells us....."what to do"

The Prophet (ﷺ) tells us....."How to do"

Together both of them make البينه , the clear proof for the right path.

Example: The Qur'an tells us to offer Salat and the Prophet Muhammad (ﷺ) told us how to offer Salat. Now that we have been told and shown the way to offer Salat we have the clear proof about it and we can not make any false excuse for not offering it.

- This Qur'an and the Prophet Muhammad (ﷺ) have become a clear proof for everyone, even the disbelievers, the Christians and the Jews for following the path of Allah (ﷻ).
- And anyone who would follow this clear proof would become "The Best Of All Creations" and who would deny would become "The Worst Of All Creations".
