

الله

The Concept Of Allah (سُبْحَانَ اللَّهِ وَعَجَلَىٰ)

*The Securer
One who gives security and protection*

- In this world human beings seek security and protection with other human beings. Children think that their parents and teachers protect them.
- The people of a city think that the police can protect them and keep them safe from all dangers.
- Some other people think that having a lot of money can keep them safe and secure!
- But Allah (ﷻ) reminds us in the Qur'an that HE is the most powerful and so The Only securer and protector. He will always protect and secure us.
- الله is a proper noun. The Only One Supreme Being Who Is The Most High, The Most Perfect)
