

سُورَةُ الْأَعْلَى

# The Most High

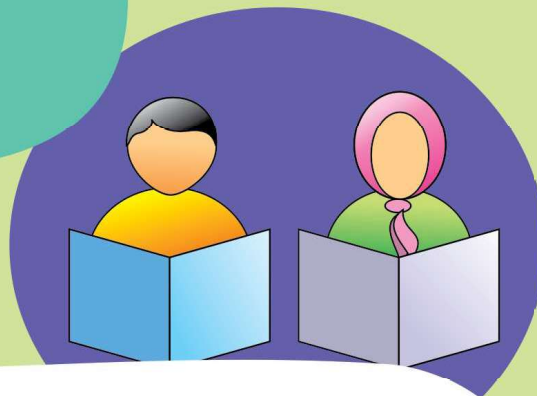

Theme:

*The surah of Purity*

- ▶ Allah (ﷻ) tells us to praise His name, the most high.
- ▶ As He created everything, perfected it, gave it guidance and made the right path easy.
- ▶ Allah (ﷻ) asks us to remind people about Him.
- ▶ Only those lucky ones who are conscious of Allah (ﷻ) will remember Him.
- ▶ And the unfortunate will avoid Him and will enter the great fire.
- ▶ So he will be successful who will purify himself (from sins) by always remembering Allah (ﷻ) and praying.
- ▶ As the life of this world is temporary and the hereafter is forever.
- ▶ This is what has been told by Allah (ﷻ) in all His books.

Working with the surah:

But you prefer the worldly life.

بَلْ تُؤْتِرُونَ الْحَيَاةَ الدُّنْيَا ۝

All walls should form a continuous path and each island must contain one sin and be isolated from other islands horizontally and vertically.

# Tasbih

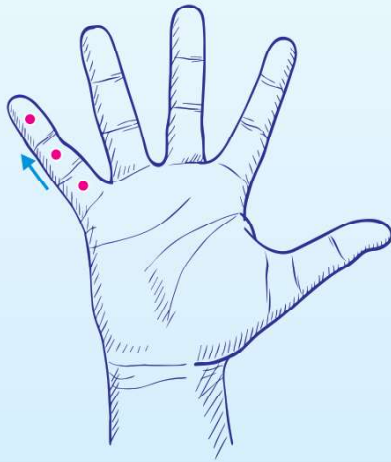

Abu Huraira (رضي الله عنه) reported Allah's Messenger (صلى الله عليه وسلم) as saying:

If anyone extols Allah (ﷻ) after every prayer thirty-three times, and praises Allah (ﷻ) thirty-three times, and declares His greatness thirty-three times, ninety-nine times in all, and says to complete a hundred:"

لَا إِلَهَ إِلَّا اللَّهُ وَحْدَهُ لَا شَرِيكَ لَهُ لَهُ الْمُلْكُ وَلَهُ الْحَمْدُ  
يُحْيِي وَيُمِيتُ وَهُوَ عَلَى كُلِّ شَيْءٍ قَدِيرٌ

There is no god but Allah (ﷻ), having no partner with Him, to Him belongs sovereignty and to Him is praise due, and He is potent over everything,"

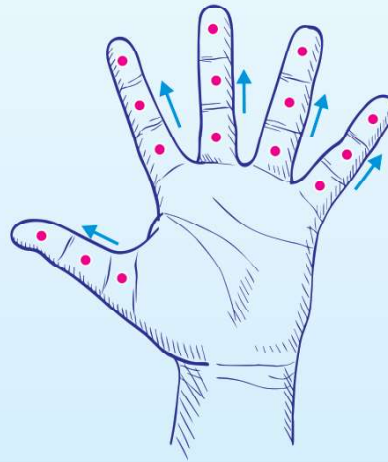

his sins will be forgiven even if these are as abundant as the foam of the sea.  
(Sahih Muslim)
