

سُورَةُ الْفَاتِحَةِ

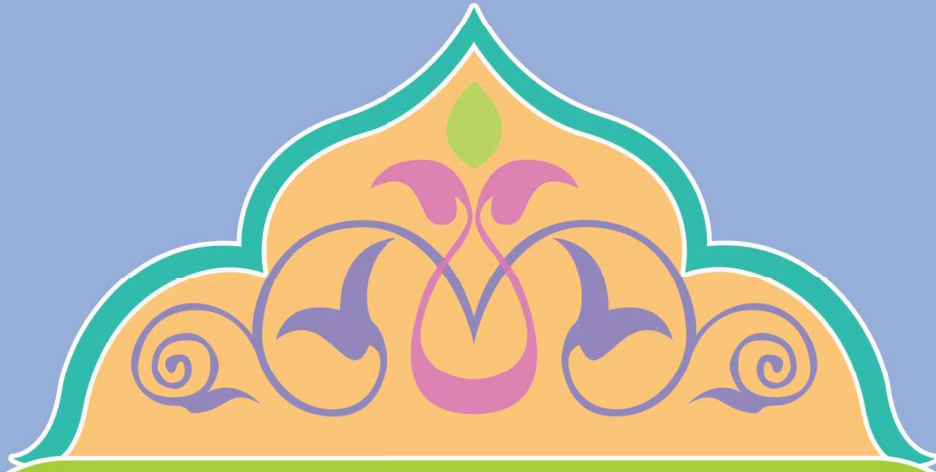

The Opening

Theme:

The surah of Prayer

- This surah is a prayer for guidance to the right path. It has three parts.
- The **first** three ayats belong to Allah (ﷻ) and tell us about the glory of our Master, Allah (ﷻ).
- The **middle** part is the bond between us and our master that we will ask only HIM for help.
- The **last** part is for ourselves about what are we asking from Allah (ﷻ). That is the help to be on the right path, the path of those who were liked by their Master, Allah (ﷻ) and not of those who got His anger.

PRACTICAL TIPS

This is the most important surah because we always have to recite it in all our prayers.

- This surah gives us a format about how to ask something from Allah (ﷻ). So first praise Him then accept that you will ask only Him for help and then humbly ask Him for all your needs.
