

سُورَةُ الْغَاشِيَةِ

The Overpowering

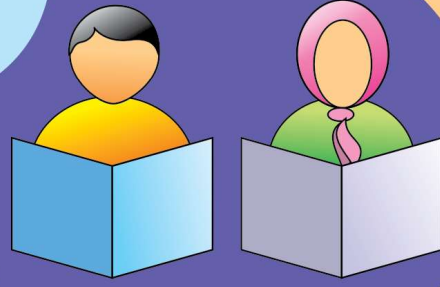

Theme:

The surah of Result Day

- Allah (ﷻ) tells us about the "result day" of our life.
- On that day some faces will be dark because of their sins.
- They will enter the hot fire with scary punishments.
- Some faces will be shining on that day because of their good deeds.
- They will enter the beautiful garden with countless relaxations.
- Allah (ﷻ) tells us to remember Him by looking around and trying to see His signs spread all around us, like how the clouds are made, the sky is so high, the earth is spread out and the mountains are fixed.
- Allah (ﷻ) tells us that we should remind people of His signs but should not force anyone to believe.
- In the end we all have to return back to Allah (ﷻ) to see our result.

Working with the surah:

Learn these Ayats:

So remind them, (O Muhammad ﷺ) you are only a reminder.

فَذَكِّرْهُمْ إِنَّمَا أَنْتَ مُذَكِّرٌ ط ٥١

You are not over them a controller.

لَسْتَ عَلَيْهِمْ بِمُصَيِّرٍ ط ٥٢

But he who turns away and disbelieves.

إِلَّا مَنْ تَوَلَّى وَكَفَرَ ط ٥٣

Allah (ﷻ) will punish him with greatest punishment.

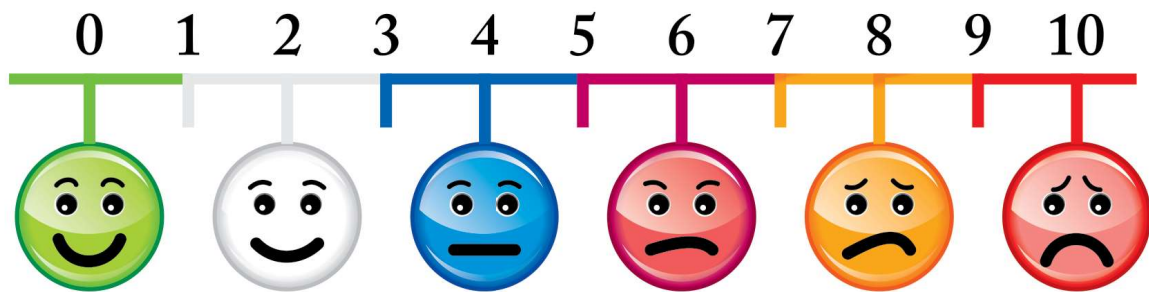

فَيُعَذِّبُهُ اللَّهُ الْعَذَابَ الْأَكْبَرَ ط ٥٤

PRACTICAL TIPS

- We should be very cautious of the result day of our life in all the things that we do.
- We have to act good and to remind others also of the message of Qur'an.
