The Rolling

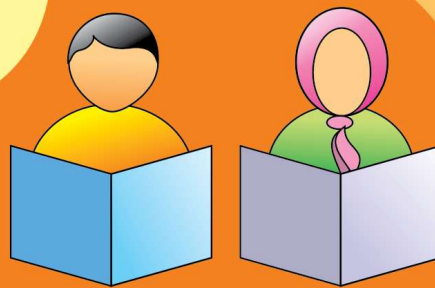

Theme:

The surah of Warning

- Allah (ﷻ) tells us about the Day of Judgment (Qiyāmah) when the entire universe will be rolled back to end.
- On that day man will see what he had done when his record will be opened.
- Then the hell fire and the bliss (Jannat) will be made visible to man which he had earlier denied.
- Allah (ﷻ) tells us that the news of this unseen is being told to you by the Prophet (ﷺ) who is wise and truthful.
- Allah (ﷻ) sends the powerful and trustworthy angel (Jibreel ﷺ) to the Prophet (ﷺ) to carry this Qur'an to him.
- This Qur'an is a **warning** from Allah (ﷻ) Almighty for those who wish to get the right path and no one can even wish anything until Allah (ﷻ) lets him to wish!
