

سُورَةُ الْاِنْفِطَارِ

The Tearing Apart

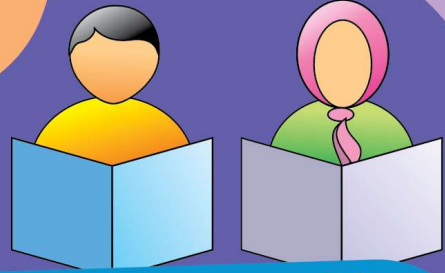

Theme:

The surah of Priorities

- Allah (ﷻ) tells us that a day will come when this world will come to an end.
- At that time man will come to know what his **priorities** were and what was the main concern of his life in every decision he made.
- Allah (ﷻ) tells us that it is He who created man, perfected him and gave him what he needed. Then man should think that why he becomes careless from his ever loving Master.
- Man thinks that this world is more important forgetting the Day of Judgment. He should know that he is under watch by the angels recording his deeds (Kiraman-Katebeen).
- On the Day of Judgment only the right people will enter the bliss and the wrong doers will enter the fire and on that day no one would help anyone.

Working with the surah:

Learn these Ayats:

A soul will (then) know what he has placed forward and what he has placed behind (his priorities).
عَلِمَتْ نَفْسٌ مَّا قَدَّمَتْ وَأَخَّرَتْ ۗ

O man! What has deceived you concerning your ever loving Lord?
يَا أَيُّهَا الْإِنْسَانُ مَا غَرَّبَكَ بِرَبِّكَ الْكَرِيمِ ۗ

And surely (appointed) over you are keepers (angels).
وَإِنَّ عَلَيْكُمْ لَحَافِظِينَ ۗ

Honorable and recording your deeds.
كِرَامًا كَاتِبِينَ ۗ

They know all that you do.
يَعْلَمُونَ مَا تَفْعَلُونَ ۗ

PRACTICAL TIPS

- Set your priority of life i.e. to live the life in the limits given by Allah (ﷻ).
- Then apply this priority in every decision you make in your life.

PRIORITIES

All that we have to do can not be done at one time so we have to prioritize our jobs. In the following activity prioritize the list of jobs in the given grid.
